(<https://www.youtube.com/watch?v=WjQ7UalDpLE>)

It's the hard-knock life for us!  
It's the hard-knock life for us!  
'Steady treated,  
We get tricked!  
'Steady kisses,  
We get kicked!  
It's the hard-knock life!  
Got no folks to speak of, so,  
It's the hard-knock row we how!  
Wool blankets,  
'Steady of wool!  
Empty Bellies  
'Steady of full!  
It's the hard-knock life!

## WALK LIKE AN EGYPTIAN

(<https://www.youtube.com/watch?v=Yrh9FNdA3D4>)

All the old paintings on the tombs  
They do the sand dance don't you know  
If they move too quick (oh whey oh)  
They're falling down like a domino

All the bazaar men by the Nile  
They got the money on a bet  
Gold crocodiles (oh whey oh)  
They snap their teeth on your cigarette

Foreign types with the hookah pipes say  
Ay oh whey oh, ay oh whey oh  
Walk like an Egyptian

Blond waitresses take their trays  
They spin around and they cross the floor  
They've got the moves (oh whey oh)  
You drop your drink and they give you more

All the school kids so sick of books  
They like the punk and the metal band  
When the buzzer rings (oh whey oh)  
They're walking like an Egyptian

All the kids in the marketplace say  
Ay oh whey oh, ay oh whey oh  
Walk like an Egyptian

Slide your feet up the street bend your back  
Shift your arm then you pull it back  
Life is hard you know (oh whey oh)  
So strike a pose on a Cadillac

If you want to find all the cops  
They're hanging out in the donut shop  
They sing and dance (oh whey oh)  
Spin the clubs cruise down the block

All the Japanese with their yen  
The party boys call the Kremlin  
And the Chinese know (oh whey oh)  
They walk the line like Egyptian

All the cops in the donut shop say  
Ay oh whey oh, ay oh whey oh  
Walk like an Egyptian  
Walk like an Egyptian

## VOLCANO SONG

Did you ever see a weak spot on Earth?  
Where molten magma comes  
And reaches the surface  
After lava forms, it forms solid rock  
Adding to the land  
Can form islands

Around the Ring of Fire is a volcanic belt  
Divergent, Convergent  
Subduction at the Ocean's edge  
Do you know about Hot Spot Volcanoes?  
'Cause there's a spark beneath  
It just has to ignite the light  
A blow torch fire  
For a long time  
Like Hawaiian Islands

Volcanoes are like Fireworks  
Gasses bubble to the surface  
Magma goes up-up-up  
And might shoot across the sky-y-y  
Magma squeezes up the pipe  
Out a side vent, or at top the vent  
The crater fills up-up-up  
Then the lava flows down-own-own

Shield volcanoes are flat mountains  
Slowly lava flows, and it will harden  
Then the Cinder Cone produces ash and bombs  
Cinders pile up making step cone shaped hill mountains  
Sometimes lava flows and they do explode  
They alternate the layers, Composite Volcanoes

Like a lightning bolt, the ground will blow  
And when it's time you'll know  
Active volcanoes are live, alive  
Extinct has died  
Sleeping at night  
Is the one that's Dormant

Volcanoes are like Fireworks  
Gasses bubble to the surface  
Magma goes up-up-up  
And might shoot across the sky-y-y  
Magma squeezes up the pipe  
Out a side vent, or at top the vent  
The crater fills up-up-up  
Then the lava flows down-own-own

Boom, Boom, Boom  
Pyroclastic flow, explosive doom  
Unless it's quiet ahah lava is slow  
Pahoehoe lava's fast and then billows

Volcanoes are like Fireworks  
Gasses bubble to the surface  
Magma goes up-up-up  
And might shoot across the sky-y-y  
Magma squeezes up the pipe  
Out a side vent, or at top the vent  
The crater fills up-up-up  
Then the lava flows down-own-own

## GREASE

I saw my problems and I'll see the light  
We got a lovin' thing, we gotta feed it right  
There ain't no danger we can go too far  
We start believin' now that we can be who we are  
Grease is the word

They think our love is just a growin' pain  
Why don't they understand? It's just a cryin' shame  
Their lips are lyin', only real is real  
We stop the fight right now, we got to be what we feel  
Grease is the word

[Chorus:]

(grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

We take the pressure, and we throw away  
Conventionality, belongs to yesterday  
There is a chance that we can make it so far  
We start believin' now that we can be who we are  
Grease is the word

[Chorus]

This is a life of illusion, a life of control  
Mixed with confusion - what're we doin' here?

We take the pressure, and we throw away  
Conventionality, belongs to yesterday  
There is a chance that we can make it so far  
We start believin' now that we can be who we are  
Grease is the word

[Chorus x2]

Grease is the word  
Is the word, is the word

# THE CALL

([https://www.youtube.com/watch?v=d\\_mlu2t-jFU&list=PLFTl8WEjeyzIkkSmOkyvMzfKSRyJu3yff8&index=10](https://www.youtube.com/watch?v=d_mlu2t-jFU&list=PLFTl8WEjeyzIkkSmOkyvMzfKSRyJu3yff8&index=10))

It started out as a feeling,  
which then grew into a hope.  
which then turned into a quiet thought  
which then turned into a quiet word.  
And then that word grew louder and louder,  
till it was a battle cry.  
I'll come back when you call me.  
No need to say goodbye.  
Just because everything's changing,  
doesn't mean it's never been this way before.  
All you can do is try to know who your friends are  
as you head off to the war.  
Pick a star on the dark horizon and follow the light.  
You'll come back when it's over,  
No need to say goodbye.  
You'll come back when it's over,  
No need to say goodbye.  
Now we're back to the beginning  
it's just a feeling and no one knows yet.  
But just because they can't feel it too  
doesn't mean that you have to forget.  
Let your memories grow stronger and stronger  
till they're before your eyes.  
You'll come back when they call you,  
No need to say goodbye.  
You'll come back when they call you.  
No need to say goodbye.
