

Soccer Aid June 2018

Our Brookland “Beat the Goalie” put Mr Douglas, Mr Jones, Mr Scott and Mr Kaal into goal after school to be pounded by penalty shots from all year groups! 🙌

In 30 minutes we raised **£118** for Unicef who help to provide life-saving food, vaccines, clean water and protection from violence to millions of children around the world. All monies donated are doubled by the UK government.

Through a whole school assembly and class learning our children learnt how their fundraising goes towards Unicef’s vital work to help children all over the world. Well done everyone!
